

國立雲林科技大學資訊管理系
109 學年度第 1 學期博士班資格考
科目：資訊管理理論與應用
(Management Theory and Practice)
時間：4 hours (Closed book)

作答時，請注意各題之比例配分，並清楚標示題號

- For the Qualifying Exam, you are expected to be scientifically conversant in the chosen subject and demonstrate critical thinking about the selected theories. You have to adhere to the highest standards of intellectual and professional integrity.
- You can answer each question in Mandarin or English.

Please refer the paper entitled “Integrating Cognition with an Affective Lens to Better Understand Information Security Policy Compliance” to answer the following questions

Part I.

1. How do the authors develop their research model from the cognitive and affective absorption theory? How do they extend the theory? (15%)
2. What is the major contribution of this study to the current knowledge? (15%)
3. What are the potential issues in this study that you can improve? Based on their findings, how would you like to extend their contributions according to the cognitive and affective absorption? (20%)

Part II.

4. Describe and comment on the cognitive and affective processes proposed in this paper. Introduce other theories related to these two proposes. (20%)
5. This study verifies two important constructs as affective absorption and affective flow; discuss the implications of this finding and suggest the application of these two constructs in the research area other than information security policy compliance. (15%)
6. Suggest some theories that organizations could strive to induce positive affect for desired information system-related behaviors. (15%)
